## Public Swim Time

The swimming pools are open to all Clermont residents and non-residents. During "Public Swim" times, the pools are available on a first-come, first-serve basis. Once maximum occupancy is achieved, people can wait outside the pool gates. Once a swimmer leaves, a new person can be let in to the pool area.

## Rates

Rates for **Residents** – Discounted rates are available to "Residents," defined as City of Clermont taxpayers and others residing or leasing property in the city limits of Clermont.

Rates for **Non-residents** – Others, who live or own property outside the city limits – including those who live in the county but have a Clermont mailing address – pay slightly more.

## Scheduled Programs

The pools will be reserved during certain hours for scheduled programs. Examples include, but are not limited to, water aerobics, paddleboard yoga and swimming lessons. The pool and pool deck can be rented for group or individual events.

## Check-in

All guests and members must check in with the receptionist at the south Recreation Entrance. After check-in, swimmers can enter the pool area through the women's or men's bathrooms and locker rooms. Lockers are available on a first-come, first-serve basis.

## Pools

There is an 18" wading pool for kids, a spa pool with bench seating and a larger pool that goes from 3 feet in the shallow end to 6 feet at the deepest end. Swimmers must follow the posted rules required by the State of Florida. Exterior pool gates have child locks for security reasons. The pool and deck areas can be rented separately or together for parties and special events.

Call for times that are available for group rentals.
