2007 Economic Census

The data in this file come from separate 2007 Economic Census Industry Series, Geographic Area Series, and Summary Series data files, as well as data files from the 2007 Economic Census of Island Areas and the 2007 Nonemployer Statistics. These files are released on a flow basis from March 2009 through mid-2011. The national data are subject to change; they will be replaced when updated data are added from the Geographic Area Series and Summary Series in 2010 and 2011. The first 4 data fields are for establishments of firms with payroll (employers), and the last 2 data fields are for establishments of firms with no paid employees (nonemployers). For information on confidentiality protection, sampling error, nonsampling error, and definitions, see Survey Methodology [pdf].

Universe Description

The universe of this file is all operating establishments with one or more paid employees. This universe includes all establishments classified in the North American Industry Classification System (NAICS) Codes 21 through 813990.

Data Items

This file contains data on:

- Number of employer establishments

- Sales, receipts, revenue, shipments, or value of business done for employer establishments
- Annual payroll of employer establishments
- Total employment of employer establishments
- Number of nonemployer establishments
- Receipts for nonemployer establishments

Note: The inclusion of the data for nonemployer establishments (establishments with no paid employees) is new for the 2007 Economic Census *Economy-Wide Key Statistics* data file.

Geographic Coverage

The data are shown for employer establishments at the US, State, Combined Statistical Area, Metropolitan and Micropolitan Statistical Area, Metropolitan Division, Consolidated City, County (and equivalent), and Economic Place (and equivalent; incorporated and unincorporated) levels for the U.S. and the Island Areas. Data for nonemployer establishments are shown for the U.S. for all levels except for Economic Places and only for Puerto Rico for the Island Areas. New for 2007 are unincorporated places (Census Designated Places) in the U.S..

Industry Detail

The data are shown at the 2- through 6-digit NAICS code levels for all Economic Census sectors and at the 7- and 8-digit NAICS code levels for selected Economic Census sectors.

Other Variables Identifying Records

For the Wholesale sector, data are published for Total Wholesale Trade and for Merchant Wholesalers. For the Services sectors, data are published for All Establishments, as well as Taxable and Tax Exempt Establishments.

Release Schedule

The data in this file are scheduled for release starting in March 2009 and ending in August 2010.

Related Data Files

Additional statistics not shown in this file are available in the Industry, Geographic Area, Subjects, and Summary Series files released for each sector within the Economic Census for the U.S. Additional statistics not shown in this file are also available in the Geographic Area Series data files released from the Economic Census of Island Areas.

Data Limitations

Data are shown for selected industries following cutoffs that vary by state, metropolitan and micropolitan area, county, and place. Also, see Survey Methodology for additional information on data limitations.

File Sequence

Data are presented in ascending geography (GEO_ID) by NAICS code (NAICS2007) sequence.
