

## HAZARDOUS WASTE

Hazardous waste items are not collected in the curbside collection program.

You may bring these items to the following locations:

**Log House Road Transfer Station,**  
Wednesdays and Saturdays  
10435 Log House Rd., Clermont, FL  
34711, Phone 352-394-5137

**Central Facilities Landfill,** Monday  
through Saturday 13130 County Landfill  
Road, Tavares, FL, 352-343-3776

Examples of hazardous products include paint, paint thinners, cooking oil, used motor oil, batteries (nickel-cadmium and rechargeable), antifreeze, household cleaning fluids, propane tanks, pool chemicals, pesticides, and even old tires.

*Paint must be taken to an approved County pick-up location.*

If you are unsure as to whether something is a hazardous product, check the label. Hazardous wastes may include any of the following words on the label: *pesticide, warning, caustic, poison, acid, danger* and *flammable*.

For questions about hazardous waste, please call Lake County Solid Waste at 352-343-3776.

Revised 3/17

## OTHER TIPS

As a courtesy to your postal carrier, please remember not to block your mailbox with your green garbage can or recycling container.

*Please don't block your mailbox with your trash can.*

Remember to keep all waste away from low-hanging power lines, low-hanging tree limbs, and 3 feet from any object, sign pole, post, etc.

## Garbage Guide

### How to Use Your Garbage Container

## HOUSEHOLD WASTE

Household waste includes kitchen trash, non-recyclables, packaging, etc.

Please put all household waste in the City-issued green garbage container and place it at the curb no later than 7 a.m. on your collection day. The handle of the garbage can should face toward your home for the truck's hydraulic "arm" to grab it. Also, because it is an automated process, please keep in

mind that the City is only able to pick up household waste in the City-issued green garbage container. Please don't place extra bags or other trash cans out at the curb, and keep the green container 3 feet from all objects.

Use the City-provided green garbage can instead of other garbage cans and containers.

Should you need an extra green garbage container, please call us at 352-241-7320. These can be provided by the City for an additional fee.

Please note that some items cannot be collected or put in your City-provided green garbage container. These include liquids, building materials, dead animals and hazardous materials.

## YARD WASTE

Yard waste includes raked leaves, shrub clippings, branches, etc.

Please don't put bundles in other, non-City garbage cans or containers.

Please cut tree limbs and landscaping material to no longer than four feet in length and to no more than six inches in diameter.

As you trim branches, keep the trash pick-up in mind, and cut four-foot pieces, stacking as you go.

**Contractors performing yard services, landscaping or tree services are responsible for removing all waste from the property.**

# GARBAGE - TRASH

## APPLIANCES & ELECTRONICS

These include grills, refrigerators, washing machines, dryers, water heaters, televisions, DVD players, VCRs, computers, stereos, CD players and fax machines.

The City will pick up your old computer.

## BULK ITEMS

For your convenience, these may be placed with regular yard waste for pick-up.
