2016 Plant Excellence Award

CLERMONT (March 1, 2017) – The Florida Department of Environmental Protection presents 10 drinking water facilities state wide with Plant Operations Excellence Awards and for the fifth (5) year in a row, City of Clermont East Water System has received the award. The award recognizes facilities that demonstrate a special commitment to excellence in management through dedicated professionalism and that have an impeccable history of record-keeping compliance. The Environmental Services Department – Water Operations – present Mayor Gail Ash with the award on Tuesday night during the council meeting.

About the City of Clermont. Clermont, Fla., is known as the “Choice of Champions®” due to its reputation as an international training ground for Olympians and elite athletes in addition to the community’s celebration of the spirit of champions. Clermont has a population of about 32,400 and is the largest city in Lake County. The picturesque city is known for its rolling hills and pristine lakes. Founded in 1884, the vision from the beginning has been a model city with unrivaled quality of life. The city is about 20 miles west of Orlando and major theme parks. The Clermont Performing Arts Center includes the 1,200-seat Main Stage and 250-seat Black Box Theater. More about the Center at www.ClermontPAC.com.
