Recycler of the Month

CLERMONT (May 16, 2017) – The City of Clermont is recognizing people who are making a commitment to recycling. Our May Champion Recycler is Emil Sales. Our recycling mascot, Eco, was on hand to congratulate Emil along with his Sanitation driver Mungal Chanka. If you would like to take our recycling pledge and be in the running for Champion Recycler of the Month, go to <http://origin.clermontfl.gov/recycle/>

About the City of Clermont. Clermont, Fla., is known as the "Choice of Champions®" due to its reputation as an international training ground for Olympians and elite athletes in addition to the community's celebration of the spirit of champions. Clermont has a population of about 32,400 and is the largest city in Lake County. The picturesque city is known for its rolling hills and pristine lakes. Founded in 1884, the vision from the beginning has been a model city with unrivaled quality of life. The city is about 20 miles west of Orlando and major theme parks. The Clermont Performing Arts Center includes the 1,200-seat Main Stage and 250-seat Black Box Theater. More about the Center at www.ClermontPAC.com.
