

Be a champion Recycler!

How to become a champion recycler. It's easy! You can take our online pledge at www.clermontfl.gov/recycle. We will send you a special decal that you can display on your cart or other prominent place. AND we will include you in our **Recycling Champions of the Month Club**.

Champion Recycler Pledge

1. I commit to recycle cardboard, paper plastic and glass bottles and cans.
2. I will not put solid waste in my recycle cart.
3. I will not place hazardous items in my recycle cart.
4. I will encourage others to recycle by displaying my Champion Recycler decal.

Why Recycle?

- ◆ It saves the Earth by reducing the use of our natural resources.
- ◆ It saves energy by reusing used materials instead of the costly processing of new material.
- ◆ It saves landfill space by diverting that material that would take up space in our landfill.
- ◆ It saves the environment by reducing our carbon footprint.
- ◆ It saves money by keeping us as efficient as possible with our natural resources

Recycle Guide

How to use your Recycle container

What goes into the recycle container?

Paper: telephone books, newspapers, glossy magazines, and all white or colored paper.
Remove them from plastic bags.

Cans: aluminum or steel food cans.
Rinse and crush, if possible.

Glass: Remove lids and neck rings, rinse and place in the container. Recycle all glass food and beverage containers (clear, green and brown).
DO NOT include light bulbs, plate glass, drinking glass, ovenware, crystal, clay or ceramics.

Plastics: Remove lids, rinse and crush to save space. Recycle beverage, milk, juice, water and other household plastic bottles having a neck labeled #1 through #7.

No automotive containers, Do not include plastic wrap, bags, or other plastic items.

Household Batteries: Place in a zip-lock bag and place **on top of the container lid**. Include all household batteries. **DO NOT include lead-acid batteries such as automotive/marine. Return these to dealers.**

Cardboard: Corrugated cardboard including boxes (pizza, shoe, cereal, moving, etc.)
All cardboard must be flattened or cut to fit into the recycling container.
DO NOT PACK OR FORCE INTO THE CONTAINER.

Styrofoam: Packing peanuts, foam egg cartons, and other foam packing materials are **NOT** recyclable and should be discarded in the trash cart.

Let's stick with the program!
