

CITY OF CLERMONT
CONDITIONAL USE PERMIT (CUP)
FILING INSTRUCTIONS

1. Prior to submitting an application, a meeting with the Development Services Director is required. Call 394-4083 to schedule a meeting.
2. After meeting with the Planning Manager, the applicant shall prepare and submit 6 sets of preliminary site plans for review by the Site Review Committee (SRC) (if required). The preliminary site plan shall clearly depict the proposed project, showing the location and dimensions of the site, topographic features including floodplains and wetlands, all existing and proposed structures, architectural elevations (all sides), signs, driveways, parking areas and landscaping, etc.
3. After the preliminary site plans are reviewed by the Site Review Committee (SRC), a list of review comments will be forwarded to the applicant. The applicant will then revise the preliminary site plan, addressing the comments from the SRC. The revised plans must be approved by the SRC prior to submitting the CUP application.
4. Upon preliminary site plan approval, the applicant will submit a complete CUP application, including the revised preliminary site plan. The revised preliminary site plan is for purposes of the conditional use permit only, and is not an approved site plan for construction.*
5. Complete CUP applications that are submitted to and accepted by the Development Services Director on or before the 1st of the month will be scheduled for public hearings the following month. Public hearings are scheduled for the 1st and 4th Tuesdays of the following month for the Planning & Zoning Commission and the City Council respectively.
6. Your presence at the Public Hearings is strongly recommended. Staff will present the application, but it is the applicant's responsibility to make a case for their request.

** The site plan submitted with the CUP application is not the final site plan approved for construction. After the CUP is approved by the Council, site plans and the site review application shall be submitted to the Site Review Committee for review and approval, pursuant to Chapter 86 of the City of Clermont's Land Development Regulations. Construction can commence only after the final site plans have been approved and a zoning clearance has been issued.*
