

**Spring Break Camp at
the Clermont Arts
and Recreation Center**

Grossology Camp

March 21-25, 9am-Noon

\$139/child. Includes all materials and take-home projects!

Ewwwww, Gross! You've never had so much fun with the ooey, gooey, and GROSS things of science! Join us as we get down and dirty with the human body and learn why we have snot, what makes us burp, and what our blood looks like. You'll even make your own model cells and drinkable blood. Just don't describe this stuff during dinner!

Register at the Clermont Arts and Recreation Center!
